Dear Mr Prowse

Thank you for your letter of 11 May 2017 to the Hon Darren Chester MP, Minister for Infrastructure and Transport, regarding a request for a meeting to discuss road safety educational technology. The Minister has asked me to reply on his behalf.

Thank you for taking the time to update the Minister on your activities in indigenous road safety and development of a virtual reality driver education programme for schools. As you are aware, the Minister is passionate about road safety and in addressing the issue of young people being overrepresented in road trauma statistics.

The Minister's road safety adviser, Mr Michael Dobbie, would be happy to meet with you in order for you to demonstrate your virtual reality system. Please contact Mr Dobbie on telephone 02 6277 7680 or email michael.dobbie@infrastructure.gov.au in order to set up a time for the meeting.

Thank you for raising this matter.

Yours sincerely
